- ❖ **9th & 10th grade students** are required to take the TSI Assessment and be college ready in writing and reading prior to enrollment approval.
- ❖ **Career and Technical Dual Credit: (Workforce Education) (Texas Administrative Code Rule 4.85):**
A high school student is eligible to enroll in workforce education dual credit courses contained in a Level 1 certificate program, or a program leading to a credential of less than a Level 1 certificate, at a public junior college or public technical institute and shall not be required to provide any additional demonstration of college readiness. Students enrolling in workforce education dual credit courses contained in a Level 2 certificate or applied associate degree program will be required to meet testing requirements outlined above; relevant to the courses to be attempted.
- ❖ **TSI Assessment Information:**
Navarro College administers the TSI Assessment test. Check with each campus testing center to find out testing availability. The TSI Assessment costs \$35.00. If the students wish to retest, the TSI Assessment can be taken again upon availability of space; however, the student must pay each time he or she takes the test. Students must place into college-level coursework relevant to the courses to be attempted.
